

ELEMENTARY OPEN HOUSE

Dear Parents,

As we look ahead to our upcoming events, we are planning for Montessori Evening in May. As we have spent so many weeks online, we would love to make a slight change and invite you to visit your child's classroom during the school day to have an Open House experience! The children will welcome parents in small groups and give lessons and show what they've been learning. Please follow the classroom rules and show respect to these young teachers on the day; they will feel nervous and excited and other emotions!

Open House will take place during the weeks of 23 and 30 May. Please look for an invitation from your child's classroom teachers to give you specific information regarding your time slot. Teachers will need to schedule times for all families that will be difficult to change so please try to keep to the time that you are allocated. The teachers will also be available for a virtual Q&A afterwards, should you wish to ask questions about what you experienced during the Open House. Those details will also be shared with you closer to the chosen date.

In order to access the campus, you will need to:

- Be double vaccinated at least
- Complete the Health Declaration Form for visitors, please click [here](#) for the form
- Conduct the RAT before arriving the campus
- Scan the School's QR code with the LeaveHomeSafe App
- Let the front desk staff to scan your electronic vaccination record
- Check temperature and sanitize your hands at the front desk
- Complete the sign in/out form at the front desk to record your arrival and departure time, mark down your temperature and to declare your RAT results.

We look forward to welcoming you back into your child's classroom!

Warm regards,
Elementary Team
