

SCHEDULE OF THE HONG KONG CHILDHOOD IMMUNISATION PROGRAMME (HKCIP)

Dear Parents,

Immunisation forms have been sent home with your child today as follows:

- **Measles, Mumps, Rubella (MMR) / (MMRV)** The MMR immunisation is advised for all P6 students who have not already received their second MMR dose. The **MMRV** vaccine is given to eligible **P1 students**, while those born before 1 Jan 2013 would complete vaccination using the **MMR** vaccine.
- **Hepatitis B (HBV)** The HBV vaccine is advised for all P6 students who have either never received an HBV immunisation or for those who need to complete the three doses recommended by the CHP.
- **Human Papillomavirus (HPV)** The HPV vaccine is advised for all female P5 students at schools, and a second dose would be given to the girls when they reach P6 in the following school year.

The School Immunization Team (SIT) under the Centre for Health Protection of the Department of Health has organised a visit to our school on **Tuesday, 30th of August 2022**, to give vaccines to eligible students.

Please either sign the **Consent form** if your child is going to receive the vaccine or the **Refusal form** if your child is not going to receive the vaccine. Kindly return the signed form and all original copies of your child's / children's immunisation records by **Thursday, 18th August 2022**.

Thank you,

Rachel Zalameda
School Nurse
