				Upcycling	

WEEK 8		8 AUG 2022 - 12 AUG 2022			
3-5 YRS	8.30 – 11.30 AM	12.15 – 3.15 PM	6-11 YRS	8.30 – 11.30 AM	12.15 – 3.15 PM
	Judo	Gymnastics		Gymnastics	Judo
	Dance & Musical Theatre	Multi-Sports		Football	Dance & Musical Theatre
	Gymnastics	Science Adventure		Science Adventure	Gymnastics
	Football				Multi-Sports
				Upcycling	

The main features of this year's programme are as follows:

- Programmes will be for children aged 3 to 12: our current Foundation children who are 3 years old (on or before 17th June) and will be in Casa next September should join the programmes for Casa age. Similarly, Casa students graduating into Elementary should join the Elementary programmes. All programmes will run at our Stanley Campus. This decision was made due to limited resources, and the fact that our outside providers can only come to one location. Therefore, by consolidating we are able to provide a richer and more diverse offering. We hope to serve as many inroad families as possible at Stanley and will work with the bus company to try to accommodate as many students as possible.
- Registration will be week by week and on a first-come-first-served basis.
- As many of our teaching faculty will travel this summer, we currently do not plan to offer our usual IMS programmes of English, Math, and Chinese. We will get in touch if it does become feasible to run these programmes.
- **NEW!** This year we are pleased to be able to offer Science, Chess, and Coding programmes for our Casa students (3-5 year olds) this summer. We are also excited to have CreativeKids (art) and Alchemists Hong Kong (upcycling) joining our summer programme this year.
- Each camp will be offered in 3 hour sessions for 5 days (M-F, AM: 8:30-11:30 or PM: 12:15-3:15).
- **No lunch arrangements available at IMS.** A snack area will be allocated for each activity, but students will need to leave IMS at 11:30am and then return to IMS before 12:15pm for afternoon programmes, if they are enrolled for the full day.

As registration is on a first come first served basis, we will send out the link for **registration tonight 6th May at 8pm**. Registration will be on a rolling basis, but the last day to sign up for each weekly session is the Monday, 7 days prior to the session. **You will need to register each child individually** as this will help us to allocate them to the correct programme. All 8 weeks are open for registration. Please read through the registration form carefully selecting the correct week, activity, and age group for your child. **Please note that an electronic payment will be required at the time of registration in order to confirm your child's activities.** Spaces are limited so please register in a timely manner. If a particular programme is in high demand, we will discuss with the vendor about opening more sessions for our students but cannot guarantee this.

IMS is also pleased to offer a bussing service, subject to availability, to help students get to and from the summer fun programme. We will have buses arriving at IMS for 8am (morning session) and 12pm (afternoon session), as well buses that depart IMS at 11:30am and 3:15pm. If you would like to use the bus service, please make sure you highlight this on the registration form and confirm your home address so that our bus company can try to identify the best bus route for you. The bus company, Castle Brothers, has set bus routes with centralised pick up/drop off points for various areas/districts on Hong Kong Island. Please choose the pick up/drop off your child at the stop closest to your home. The bussing fee will be charged separately to the activity fee. Further bus conditions will be communicated with those families who choose to sign up for bussing.

Please click on the link below to learn more about each programme.

Refund and cancellation policy

1. Refunds will not be issued to any student who withdraws after registration has been completed and payment has been made to IMS.
2. Refunds will not be issued due to student absences or school closure due to bad weather.
3. If the Summer Fun Programme is cancelled due to COVID-19 restrictions, prorated refunds will be provided.

Safeguard and health preparations for your child

Students will need to be fully vaccinated to be eligible for the Summer Program. In line with EDB guidelines, please see below how a student can be classified as being fully vaccinated with 2 doses:

1. Received 2 doses + 14 days have passed since day of 2nd dose
2. Received 1st dose at least 14 days before Covid infection + full recovery from Covid
3. Received 1st dose 30 days after full recovery from Covid

Any additional safety requirements, such as the need to complete a daily RAT, will be communicated one week before your summer programme begins.

IMS is fully aware of the hygiene measures in all aspects to provide a safe environment for learning. Children are required to have body temperature checks and hand sanitization before entering the school.

All facilities and surfaces have been disinfected with Raze nano-photocatalyst antimicrobial coating. Meanwhile, equipment and teaching aids will be cleaned and sterilised prior to and after the session. Furthermore, please prepare personal disinfectant products and extra surgical masks for your child during the day. For outdoor physical activities, the requirements to wear masks will align with the government policy at the time.

We look forward to welcoming your children over the summer! If you have any additional questions please feel free to email eca@ims.edu.hk or call us at 2566-7196.

Thank you

IMS ECA Team
