

## WELCOME TO LOWER ELEMENTARY

Dear Parents,

We are looking forward to welcoming your child to the Montessori Elementary Years programme during the transition process in June, and fully into the Montessori Elementary programme on **Thursday 18 August 2022**. As your child transitions, we would like to give you a little more information about the way the Montessori Elementary Years classes work at IMS. Along with this welcome letter, there are a number of other documents that focus on the various aspects of life in the Elementary environment. As you read through them, I hope you will gain a fuller understanding of how our programme and expectations are adapted to complement the changes that are taking place in the way your child interacts with his/her world.

You will be introduced to:

- How the Elementary environment differs from Casa
- The new small group Chinese lessons
- The Single-Subject Teachers
- Homework & Work Diaries
- Sports Events
- How you can support at home
- Gardening & Going Out

This transition visit for your child is a three-day experience as described below, on **Monday 6 June, Tuesday 7 June, and Wednesday 8 June**. Please note that your child has been allocated a place in one of the current Stanley Lower Elementary classes. You will receive a welcome email from the class teachers on the first day of transition.

On the transition days, your child should go to their Casa dei Bambini Campus in the morning, as normal, and will then travel to Stanley with the other transitioning students by taxi or minibus with a teacher from their campus. **Please be advised that there will be no bus service to take the children home at the end of each day. This is an ideal time to meet up with the teachers and learn more about your child's experiences.** Please collect your child at the main Stanley Campus Hall at 3:15pm on transition days.

To further support an understanding of all that Elementary life has to offer, we have arranged to have a **Transition Information meeting on Wednesday 8 June from 2:15pm to 3:15pm at the Stanley campus**, where we will meet with all Elementary transitioning parents to answer any questions you may have. If you can attend, please click on the button below to register before Thursday 2 June.

**Transition Information Meeting Sign up**
