

## Winter Class Announcement

Dear Winter Class Parents,

I am writing to let you know that the Winter Class will have a teacher change for the coming academic year. Mr Adam will be leaving us to return to his home country, Canada. Mr Adam has been a wonderful addition to our school and the Winter class over the past four years.

Zhuang Lao Shi (Ms Celiya) 庄老師 will continue to lead the Winter Class, and will provide continuity to the returning children next year. She will also be extending her expertise and knowledge to her new English-speaking co-teacher in the coming year.

We are delighted that we have several highly qualified English Montessori teacher candidates within and applying to be part of the IMS team. We will announce in the new school year which of these teachers will be supporting the Winter class, and working in partnership with Zhuang Lao Shi. Children and parents will also have an opportunity to say hello to the new teacher before the start of school, during the week of 15 August.

We want to thank Mr Adam for his significant contributions to IMS for the past four years. Please join me in wishing him the very best as he moves back to Canada.

Warm regards,  
Sushmita John | Curriculum Director
