

## 74<sup>th</sup> HONG KONG SCHOOLS SPEECH FESTIVAL

Dear Parents,

Once again we have the pleasure of announcing the upcoming Hong Kong Schools' Speech Festival. This event is organized every year and gives our IMS Elementary girls and boys the wonderful opportunity to showcase their English and / or Putonghua skills. In the past, our students have mainly taken part in the Solo Verse Speaking competition. More details can be found at <https://www.hksmsa.org.hk/en/speech-festival/>.

It is an opportunity for the children to practise public speaking skills and to gain confidence in presenting to a large audience. Once you have registered and the details of the required pieces have been announced, it is time to start practising at home. This year there will be no in person attendance for the competition, students will submit their entry via video online. You may find the information for video submission [here](#).

We will assign your child a language mentor who will connect with your child to provide advice on their speech practice and connect with them either online or in person once students are back to school. There will be no ECA available for practicing.

If you would like your child to take part, please fill in the form by clicking the button below. The Application Fee (see enrollment form) should be transferred to school's bank account and please **UPLOAD THE BANK SLIP TO THE FORM**, details are as follows:
