

SEASONAL INFLUENZA VACCINATION - SCHOOL OUTREACH PILOT VACCINATION PROGRAMME

Dear Parents,

As part of the Department of Health vaccination programme together with the Dedicare Medical Centre would like to offer the opportunity to protect our children against Seasonal Influenza (Free of Charge) aged 3-12 via nasal spray for Casa students and intramuscular injection for Elementary students.

The consent/refusal form will be put in your child's communication folder today. Please return the completed form to your respective campus on or before **Monday, 5th September 2022.**

To verify the student's eligibility for this programme, parents must return the following documents on or before the 5th of September 2022

1. The consent form
2. A copy of **one of** the following documents of the student:
 - Hong Kong birth certificate or identity card. If your child is NOT a Hong Kong permanent resident, please also submit "Permitted to remain until" label or "Permission to remain extended until" label.
 - Hong Kong re-entry permit.
 - One-way permit / two-way permit.
 - Identity document for visa purposes.
 - Foreign passport.

Kindly pay attention to the following:

1. Before completing the consent form, please read the instructions carefully on page 2 of the consent form.
2. All participating students must return the documents listed above. If there is any missing or incomplete document, Dedicare Medical Centre will NOT provide vaccination service to the student.
3. **No consent form would be accepted after the deadline of 5th September 2022.**

Please click [here](#) for the schedule for each campus and the details of the vaccination arrangement.

Warm regards,

Adam Broomfield

Head of Stanley Campus
